## OVERVIEW

This cardigan is made from one big granny square. You can use any granny square motif you'd like but I used a "continuous granny square" method. Below you'll find instructions and a diagram for creating that particular granny square. Work the pattern to the length/width recommended on the sizing chart for your target size. The sleeves are created by seaming the square in a special way illustrated on page 5 and in **this** handy YouTube video.

## Continuous Granny Square Motif

To begin, ch4. Sl st to the first ch to join in the rnd

**Rnd 1:** ch5 (counts as dc and ch2) and \*make 3dc into the ch4 ring, ch 2\* rep between \*\* two more times. Then make 2dc into the ring and sl st to the 3rd ch of your starting ch5 to complete the rnd.

**Rnd 2:** Sl st into the ch space and ch5. Make 3dc into the ch space, \*ch1. 3dc, ch2, 3dc all into the next ch space\* rep between \*\* two more times. Ch1 and make 2dc in the next ch space. Sl st to the 3rd ch of your starting ch5 to complete the rnd.

**Rnds 3+:** Sl st into the ch space and ch5. Make 3dc into the ch space, ch1. Work 3dc, ch1 into each ch1 space from prev rnd and work 3dc, ch2, 3dc, ch1 all into each ch2 space from prev rnd. When you reach the last corner, work 2dc in the last corner space and sl st to 3rd ch of starting ch5 to complete the rnd.

Repeat round 3 until your square measures the length/width on the sizing chart for your target size. Then follow seaming instructions on page 5
